

**Notes from the Board of Directors  
of St. John's Centre**

***“As a volunteer member of the Board of Directors here at St. John's Centre, I wish to extend my most sincere wishes for good health to all residents, staff and fellow Board Members.***

***Although the COVID-19 pandemic has changed the way we interact with each other and has altered our daily routines, be assured we can all get through this if we follow the good advise of our health and government leaders concerning social distancing, frequent hand washing and restricted human contact.***

***I know that Lauraine, and her fine staff and attending caregivers have put into place responsible safety processes and practices that will help to ensure the safety of all residents and staff. If we all do our part to follow them, we can get through this difficult time together.”***

***All the best, Rob H.***

***“Honour has not limit.” JT***

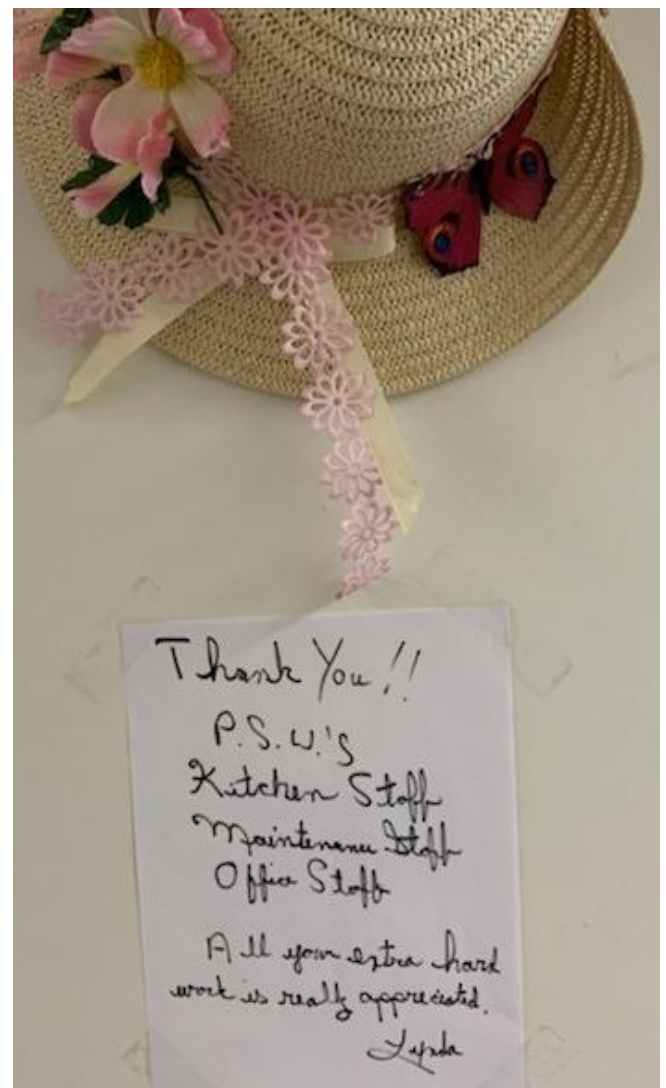

***“St. John's Centre, A good place to live with excellent assisted senior care.” JB***

3<sup>RD</sup> AFTER PENTECOST

Christ has no body now, but yours.  
No hands, no feet on earth, but yours.  
Yours are the eyes through which he looks  
With compassion on this world.

Let nothing disturb you.

Let nothing frighten you.

All things pass away:

God never changes.

Patience obtains all things.

Those who have God

Find they lack nothing;

God alone suffices.

Prayer of St Teresa of Avila (1515-1582)

with many thanks

Thanks to all the staff  
who are working so hard  
to bring our lives back  
to normalcy—

Look after yourselves
